CONDITIONS OF ENTRY

1. The Association will not be responsible for any accidents that may be caused through or by any exhibits and it shall be a condition of entry that each exhibitor shall hold the Association blameless and indemnified against any legal proceedings arising from any such accidents.
2. The Association will not under any circumstances hold itself liable for any accidents on the ground or premises.
3. The Association will not be responsible for any accident caused through or by any exhibit and will not under any circumstances hold itself responsible for any loss or misdelivery of livestock or other exhibit of any kind or for any damage done thereto.
4. The Judge may disqualify from the competition any exhibit or competitor not conforming with the necessary requirements or contravening any regulation or condition in this Section.
5. Age of cattle to be reckoned to 1st January. Any animal born on or prior to 1st January of the preceding year will not be eligible for under 12 months old class. A similar provision shall apply to other age classes when calculating age from date of birth up to and inclusive of 1st January, as may be the case.
6. The Agricultural Societies Council of N.S.W. requires that declaration forms for Johnne's Disease and for E.B.L. be completed by exhibitors and the Rural Lands Protection Board Veterinarian/local Veterinarian.
7. Johnnes Disease Declaration Forms are available from the Secretary, PO Box 4100, Candelo, NSW 2550 or from the local Rural Lands Protection Board.
8. All cattle must be NLIS tagged.

The N.S.W. EBL Steering Committee recommends that:

- Infected animals be excluded from Shows from July 1, 1996.
- Only animals from disease free herds be admitted to Shows from 1 January, 1999, therefore a declaration is required from all dairy cattle exhibitors which demonstrates that the cattle they wish to show are free of EBL. Forms available from Secretary, PO Box 4100, Candelo, NSW 2550 if required.

In keeping with the above recommendations:

- No dairy animal under 6 months of age is to be presented for exhibition;
- Separate watering and feeding of animals is recommended;
- No animal will be allowed onto Candelo Showgrounds unless tagged and all relevant forms are presented to Stewards.
